AFFIDAVIT-COMPLAINT

I, **ALLAN V. INOCALLA**, Filipino, of legal age, with residence at Purok 4, Capacuan, Paracale, Camarines Norte, and at 2531 G. Del Pilar Street, Barangay 759, Santa Ana, City of Manila, after having been duly sworn to in accordance with law, hereby depose and state:

THE PARTIES

1. I am the complainant. I file this Affidavit-Complaint against **ACE VICENTE INOCALLA III** (also known as **Vicente de Leon Inocalla III**, alias “Ace”) and **ELENA DE LEON INOCALLA BOMBITA**, both of whom may be served with notice at 2531 G. Del Pilar Street, Barangay 759, Santa Ana, City of Manila (the “Respondents”).

OWNERSHIP AND AUTHORITY

2. The property involved is the residential/apartment building at **2531 G. Del Pilar Street, Barangay 759, Santa Ana, City of Manila** (the “Property”), covered by **Transfer Certificate of Title No. 44055** in the name of my late mother, **Beatriz V. Villafria, married to Vicente Inocalla, Sr.**, my late father.

3. By final judgment in **Civil Case No. 13-131220** (Regional Trial Court, Branch 15, Manila), affirmed by the Court of Appeals in CA-G.R. SP No. 161072 and by the Supreme Court in G.R. No. 256997 (final and executory on 31 August 2022), the title formerly invoked by the late Vicente Inocalla, Jr. — Respondents’ predecessor — was declared **null and void and cancelled**, and by Order dated 25 November 2025 the court directed the reinstatement of TCT No. 44055 in the name of Beatriz V. Villafria married to Vicente Inocalla, Sr. Upon the advice of our counsel, I traveled to Manila and personally received the reinstated title. Copies of the Order and of the title are attached as **Annexes “A” and “B.”**

4. Under our judicial partition, the **top-floor apartment** of the Property pertains to me, and I likewise act for my siblings **Jesus V. Inocalla, Herbert V. Inocalla, and Marilou V. Inocalla** as their attorney-in-fact under their respective Special Powers of Attorney, copies attached as **Annexes “C,” “D,” “E,” and “F.”**

THE ANTECEDENTS

5. On **4 August 2026**, I personally delivered written letters of turn-over of the Property to Respondents Ace Vicente Inocalla III and Elena de Leon Inocalla Bombita, and furnished a copy to **Punong Barangay Rowena T. Chua of Barangay 759**. I also went to every tenant of

the building, personally informed them of the change of ownership, and left each of them a letter to that effect. Copies of the letters are attached as **Annex “G”** (series).

6. On **14 August 2026, at about 4:00 in the afternoon**, together with my handyman **Ben Bumatay Bilinan**, I purchased cleaning and repair tools, equipment, and materials with an aggregate value of approximately **FIFTY THOUSAND PESOS (₱50,000.00)**, and we began cleaning and repairing the Property, starting with **Apartment No. 3**. When we finished for the day, we locked the door of Apartment No. 3, with our tools, equipment, and materials secured inside.

7. I thereafter left for Bicol and gave Mr. Bilinan authority to continue the cleaning and repair work in my absence.

THE INCIDENTS COMPLAINED OF

8. Shortly after I left, I received a message from Punong Barangay Rowena T. Chua informing me that Respondent **Ace Vicente Inocalla III** had broken into the locked **Apartment No. 3** that we had been cleaning, **threw away and disposed of all our cleaning and repair tools, equipment, and materials**, and threatened that “there will be trouble” if we go back to the Property.

9. On the morning of **15 August 2026**, upon my instruction, Mr. Bilinan reported the incident in the blotter of Barangay 759 and then proceeded to the PNP station to report the same. When Mr. Bilinan thereafter returned to the Property to resume work, he was **stopped by Respondent Ace Vicente Inocalla III, who threatened that Mr. Bilinan would be harmed if he entered the Property**.

10. The PNP advised that I, as the owner’s representative and the principal complainant, should personally make the report. Hence, on **2 September 2026**, upon my return to Manila from Bicol, I appeared and caused this incident to be entered in the blotter, and I execute this Affidavit-Complaint.

THE OFFENSES

11. The foregoing acts of Respondent Ace Vicente Inocalla III — breaking into the locked apartment against the will of its lawful possessor, taking and disposing of our tools, equipment, and materials worth approximately ₱50,000.00, and threatening me and my handyman with harm should we return — constitute, among others, **Qualified Trespass to Dwelling (Article 280, Revised Penal Code), Robbery (Articles 293 and 299, Revised Penal Code) or, in the alternative, Theft (Article 308) and/or Malicious Mischief (Article 327), and Grave Threats (Article 282) and/or Grave Coercion (Article 286)**, or such other offenses as the evidence may warrant upon investigation.

12. Respondent Elena de Leon Inocalla Bombita is named herein as a co-occupant of the Property who was duly served the letter of turn-over and who, despite the final judgment and turn-over, continues to withhold the Property together with Respondent Ace Vicente Inocalla III; her participation in the acts complained of shall be established in the course of the investigation.

13. I am executing this Affidavit-Complaint to attest to the truth of the foregoing, to have the incidents placed on official record, and to formally request that an investigation be conducted and that the appropriate criminal charges be filed against the Respondents.

IN WITNESS WHEREOF, I have hereunto set my hand this 2nd day of September 2026 in the City of Manila, Philippines.

SUPPLEMENTAL AFFIDAVIT

I, **ALLAN V. INOCALLA**, Filipino, of legal age, with residence at Purok 4, Capacuan, Paracale, Camarines Norte, and at 2531 G. Del Pilar Street, Barangay 759, Santa Ana, City of Manila, after having been duly sworn to in accordance with law, hereby depose and state:

1. I executed an **Affidavit-Complaint dated 2 September 2026** against **ACE VICENTE INOCALLA III** (also known as Vicente de Leon Inocalla III, alias “Ace”) and Elena de Leon Inocalla Bombita concerning the break-in, taking of tools worth approximately ₱50,000.00, and threats at our family property at **2531 G. Del Pilar Street, Barangay 759, Santa Ana, City of Manila** (the “Property”). I execute this Supplemental Affidavit to place on record a new incident that occurred only three (3) days later.

2. On **5 September 2026, at about 5:30 in the afternoon**, I visited the Property together with my guests, **Mr. Mario Bangasan**, President of the Philippine Inventors, Scientists and Innovators, Inc., and **Architect Mike Guevara**, whom I had invited to assess and evaluate the family Property.

3. After a few minutes of viewing and taking photographs of the building, Respondent Ace Vicente Inocalla III **came out of his apartment and began yelling at me**, threatening and cursing me in front of my guests, shouting words to the effect of: **“Umalis ka dito at barilin kita! Putang ina mo, hayop ka! Manloloko, magnanakaw! Alis kayo dito!”** (in English: “Leave this place or I will shoot you! You son of a whore, you animal! Swindler, thief! All of you, get out of here!”).

4. I tried to calm him down, but he continued to threaten and verbally abuse me. While doing so, he was holding his phone and calling someone.

5. To avoid any violence, I told my guests that it was better for us to leave, and we walked away toward Pablo Ocampo Street (formerly Vito Cruz).

6. I then noticed Respondent coming after me, so I stopped and faced him. He continued yelling threats at me, looking at me and shouting words to the effect of: **“Anong gusto mo? Patitirahin kita!”** (in English: “What do you want? I will strike you!”).

7. I was stunned, intimidated, and genuinely feared for my life. **I personally know that Respondent keeps a firearm and has openly shown off shooting it**, so his threat to shoot me was real to me. Moreover, my brother **Vicente Inocalla, Jr.** and my sister **Senen**

“Betty” Inocalla were both murdered, and both killings remain unsolved to this day. Threats of violence from within this conflict are not empty words to me.

8. In support of the foregoing, attached hereto are photographs **obtained prior to the incidents complained of and kept in our family’s evidence records**, which I personally identify as depicting Respondent, marked as follows (continuing the annex series of my Affidavit-Complaint of 2 September 2026): **Annex “K”** — a photograph of Respondent aiming a rifle; **Annex “L”** — a photograph of Respondent holding a shotgun, with a holstered handgun at his waist; and **Annex “M”** — a screenshot, captured previously, of a post on Respondent’s own TikTok account **“@Tata Ace,”** captioned “with my kumpare roy M.,” showing Respondent firing a pistol at a shooting range, with another pistol, ammunition, and magazines on the table before him. These earlier images show that Respondent has long kept, displayed, and fired guns, which is why his threat to shoot me was real to me.

9. My companion Mr. Mario Bangasan, worried for my safety, pulled me away, and we left as Respondent grew visibly more aggressive. As we walked away, he kept on yelling threats and curses at me and my guests, still holding his phone.

10. Both Mr. Mario Bangasan and Architect Mike Guevara personally witnessed the entire incident and can attest to the foregoing.

11. The foregoing acts of Respondent — publicly threatening to shoot me and to strike me, and cursing me and publicly branding me a swindler and a thief in front of my professional guests — constitute, among others, **Grave Threats (Article 282, Revised Penal Code) — the threat being to commit a crime against my person with a firearm — and Grave Oral Defamation (Article 358) for the public imputation of crimes, and/or Unjust Vexation (Article 287)**, or such other offenses as the evidence may warrant, and form part of a continuing pattern of intimidation following the acts already complained of in my Affidavit-Complaint of 2 September 2026, intended to prevent me and my family from exercising our rights over the Property despite the final judgment in Civil Case No. 13-131220 and the reinstatement of TCT No. 44055 in the name of my late mother.

12. In view of Respondent’s threat to shoot me, my knowledge that he keeps and shows off firearms, and the photographs attached as Annexes “K” to “M,” I likewise respectfully request that the authorities **verify whether Respondent lawfully possesses any firearm** and take the appropriate action.

13. I am executing this Supplemental Affidavit to attest to the truth of the foregoing based on my personal knowledge, to have this incident entered in the blotter and added to the record of my pending complaint, and to request that it be considered in the investigation and in the filing of the appropriate criminal charges against Respondent Ace Vicente Inocalla III.

IN WITNESS WHEREOF, I have hereunto set my hand this ____ day of September 2026 in the City of Manila, Philippines.

I, **MARIO BANGASAN**, Filipino, of legal age, President of the **Philippine Inventors, Scientists and Innovators, Inc.**, with residence at _____, after having been duly sworn to in accordance with law, hereby depose and state:

1. On **5 September 2026, at about 5:30 in the afternoon**, upon the invitation of **Mr. Allan V. Inocalla**, I was at his family’s property at **2531 G. 2. After a few minutes of viewing and taking photographs of the building, a man — whom Mr. Inocalla identified to us as his nephew, **ACE VICENTE INOCALLA III** — came out of one of the apartments and began yelling at Mr. Inocalla, cursing him and threatening him in our presence, shouting words to the effect of: **“Umalis ka dito at barilin kita! 4. Mr. Inocalla told us it was better to leave, and our group walked away toward Pablo Ocampo Street.

5. The man followed and came toward Mr. Inocalla, who stopped and faced him. The man continued yelling threats at Mr. Inocalla, shouting words to the effect of: **“Anong gusto mo? Patitirahin kita!”** (in English: “What do you want? I will strike you!”).

6. Because the man was becoming visibly more aggressive and I **feared for Mr. Inocalla’s safety, I pulled Mr. Inocalla away** and we left the place. As we walked away, the man kept on yelling threats and curses at Mr. Inocalla and at us, still holding his phone.

7. Because of the incident, we were not able to complete the assessment and evaluation of the Property that we came for.

8. I am executing this Sworn Statement freely and voluntarily to attest to the truth of the foregoing, which I personally saw and heard, and in support of the complaint of Mr. Allan
